PRESERVATION ALERT FROM CHESTNUT HILL CONSERVANCY

Keewaydin protected!!!

Almost exactly a year after we sent a Preservation Alert about the Keewaydin estate’s uncertain future, we are delighted. This is a stunning victory for the community, preserving the historic architecture and streetscape of this estate, and The Conservancy is proud to have helped the site’s owners and neighbors with this important protection, and look forward to the future. The Conservancy was able to immediately engage in this effort and remain engaged in large part because of Leaders! Background
